## European Atari Jaguar Festival

The European Atari Jaguar Festival “ejagfest” in short, is an annual festival for all retro-gaming fans from all over Europe. It was established in the year 2000 and the focus of attention is on Atari and all systems of the cult label. But we don't want to miss other retro systems, as well. The more exotic, the better.

### What can you expect?

- ▶ Homebrew Presentations
- ▶ Prototypes and Demos
- ▶ Exclusive Releases
- ▶ Community-Meeting
- ▶ Competitions and Cups
